Afternoon session sponsor: **Korean Register**

1400 – 1500hrs

**Panel Discussion: Role of the Broker**

- Brokers – forecasters or fixers?
- Is the role of the broker evolving in step with the changing face of the chartering and s&p sector and the changing roles of the individual players?
- Impact of technology on the interaction between industry participants
- Broker projects desks add strategic evaluation of s&p projects to broking services, with increased involvement and responsibility, advising on financing, employment options and optimizing project returns. How are broking houses handling this?

Moderator

**Harry Theochari**, Global Head of Transport, Norton Rose Fulbright
